Dianne Gardner

Ian Gavin

Dave Higgon Multiplex Constructions Pty Ltd

Roger Keey University of Canterbury New Zealand

Kevin Knight

Stephen Smith NSW Department of Public Works

Jim Whiting

The Handbook aims to achieve better OHS risk management practice and reduce the incidence and severity of injury and disease.

This Handbook also aims to demonstrate that management of occupational health and safety (OHS) risk is a priority that must be managed by all levels of an organization in order to demonstrate effective governance.

CONTENTS

Page
